

OUTBOUND EXCHANGE PROGRAMMES

Version July 2020

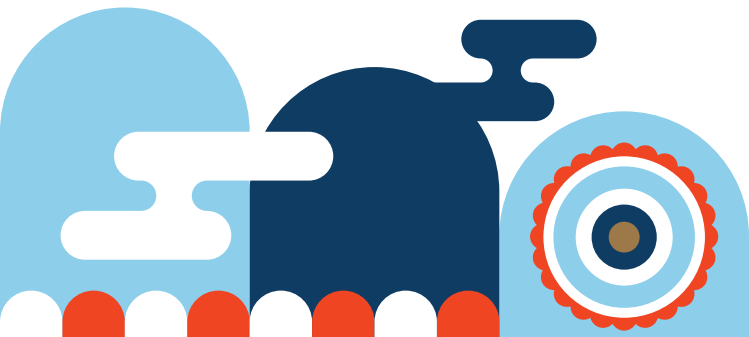

澳門大學
UNIVERSIDADE DE MACAU
UNIVERSITY OF MACAU

The University of Macau (UM) encourages its students to go abroad, which helps students develop a global perspective by exposing them to different cultures as well as broadens their horizons and knowledge. For this purpose, UM offers a variety of Student Exchange Programmes to both undergraduate and postgraduate students. Students are responsible for their own expenses during the exchange, while scholarships are available to subsidize such expenses.

OUTBOUND PROGRAMMES

1. Semester Exchange Programme

Semester Exchange Programme provides opportunities to study at UM partner institutions (host institutions) for one or two semester(s). An exchange student who successfully completed courses at the host institution may transfer credits to UM in accordance to the regulations thereof.

- Eligibility: Undergraduate and postgraduate students
- Tuition fee of the host university is waived.
- Scholarships are available on a competitive basis at an amount of MOP10,000-30,000.
Online application: <http://isw.umac.mo/oesas>

Countries / Regions of the Host University	Outgoing Exchange Scholarship (MOP)
Zone 1 : Americas and Europe	22,000 - 30,000
Zone 2 : Oceania and Africa	18,700 - 26,000
Zone 3 : Japan and South Korea	13,200 - 18,000
Zone 4 : Asia (except for Japan and South Korea)	10,000 - 14,000

2. IAESTE Internship Exchange Programme

IAESTE Programme provides paid, course-related overseas internships for students during summer to get technical experience in the science and engineering disciplines

- Eligibility: Undergraduate and postgraduate students in FHS, FST and ICMS
- No programme fee is required.
- Students who have successfully completed the entire internship will receive a one-time subsidy/scholarship.

3. 10,000 Talent Programmes

This is a series of programmes provided by higher education institutions in mainland China during summer and winter break, including summer courses, cultural programmes, social activities or academic competitions.

- Eligibility: Undergraduate and postgraduate students (Depends on programme requirement)
- No programme fee is required.

4. Erasmus+ Programmes

Erasmus+ Programme is a non-regular project-based exchange programme hosted by the European higher education institutions. Students enrolled in the Erasmus+ Programme would go to study abroad for duration of a minimum of 3 months (or 1 academic term) to a maximum of 12 months.

- Eligibility: Undergraduate and postgraduate students and full-time staff
- No programme fee is required.
- Scholarships provided by European Commission are available.
