Welcome to University of Macau

The University of Macau (UM) is the only public comprehensive university in Macau, and has become one of the most internationalized universities in the world.

With English as the main medium of instruction, the University is committed to training and preparing our students as global citizens.

In recent years, UM has been taking initiatives for a comprehensive and structural reform and entered a new era of unprecedented growth. The University offers the research, cultural, social and recreational facilities you would expect from a top university and lots of greenery to facilitate learning, research and innovation.

You are welcome to visit our gorgeous campus where you can see our strengths and advantages, interact with us, and experience the uniqueness of the UM community!

Quality Education

UM offers around 130 degree programmes covering a variety of fields, and the quality education is globally recognized in various university rankings.

Teaching units at UM include [Faculty of Arts and Humanities](#), [Faculty of Business Administration](#), [Faculty of Education](#), [Faculty of Health Sciences](#), [Faculty of Law](#), [Faculty of Social Sciences](#), [Faculty of Science and Technology](#), [Honours College](#), [Graduate School](#), and [Centre for Continuing Education](#).

Research institutes include [Institute of Chinese medical Sciences](#), [Institute of Applied Physics and Materials Engineering](#), [Institute of Collaborative Innovation](#), [Institute of Microelectronics](#), [Centre for Macau Studies](#), [Asia-Pacific Academy of Economics and Management](#), and [Institute of Advanced Studies in Humanities and Social Sciences](#).

Currently, there are more than 12,500 students at UM. For undergraduate students, the university provides a unique '4-in-1' education, which consists of discipline-specific education, general education, research and internship education, and community and peer education.

Learning Environment

The University organizes a vibrant mix of events, competitions, public lectures, seminars, visits or community services to enrich the students' life on campus. You also have opportunities to interact with our invited speakers and leading scholars. Our Library is the largest library in Macau, with an area of about 30,000 square meters and a collection of over 12 million pieces/items. The Library provides group discussion rooms as well as silent zone for individual study. There are also nearly 30 sports, cultural, and art teams, as well as about 100 student-led groups under the Students' Union and the Postgraduate Association. You can make friends with students from different cultural backgrounds.

Residential College (RC)

UM's RC system is modelled upon the house or RC system of Harvard and Yale in the US as well as the college system of Oxford and Cambridge in the UK, and has inherited the spirit of *shuyuan* (academy) during the Song and Ming dynasties in China. Adhering to the motto "Humanity, Integrity, Propriety, Wisdom, and Sincerity", the university's unique 4-in-1 education model and the RC system, which is the core of the community and peer education, aim to foster the whole-person development of the students.

UM's education mission is to cultivate responsible citizens and innovative leaders who are strong in national commitment and global competitiveness, with international outlook, meeting the needs of the advancement of Macau, their home country, and the world. The RC system thus plays a critical role in realizing the university's vision for undergraduate education.

Sports Facilities

The University has various indoor and outdoor sports facilities and you will get free entry access to most of venues by presenting your UM campus card. Our indoor sports facilities include an Olympic-standard swimming pool, a fitness room, sauna, sports pavilion, sport climbing wall, squash courts, badminton hall, table tennis room, etc.

Campus Outlets

There are more than 27 outlets on campus, providing comprehensive services for your daily needs, including dining, retails and banking.

Dining

UM has a wide variety of dining choices for multi-culture students. There are food courts that provide East-Asia food like Thai, Singapore, Japanese and Korean food, Chinese-style BBQ pork, dishes and dim sum, Western-style fish & chips and pizza but also fine dining of Chinese or Western restaurant.

Accommodation

The University provides comfortable and harmonic on-campus accommodation.

Undergraduate students from different academic disciplines live together in the residential colleges, where they can develop a global perspective, think independently and uphold self-confidence in cultural aspect, by communicating and collaborating with people of different disciplines or cultural background.

Postgraduate House is available for postgraduate students, with providing various activities and services to foster your learning, research and employability.
